How to Register

Your Registration Checklist

Step 1

Check out our courses, then fill out the registration form on page 23, register, and pay.

Step 2

Check building location

Step 3

Check parking requirements

Step 4

Check email (give us a couple days, please!) for registration confirmation

Step 5

Check for any required supplies listed in the course descriptions

Step 6

See you in class!

How to Read Course Information

Sample Course Information	How to Interpret
M/S fee \$15, payable to instructor	Materials/supplies (M/S) fee payable directly to the instructor, at the first course meeting
Course# XX102 2 hrs. \$10	Course number used to register for the course, total number of hours in the course, and course cost (excluding M/S fee)
When: Tues, July 3	Weekday(s) and date(s) of course meetings
Time(s): 5:30–7:30 PM	Course meeting time(s)
Where: DACC East Mesa, DAEM #107	Location where course will be offered

EARLY BIRDS GET IN!

We recommend registering early to get into the course you want. A course may be cancelled if the minimum requirements are not met in time. We invite you to be an early bird!

Office Hours

Mon-Fri, 8:00 AM–5:00 PM with the exception of holidays* (see list below.)

Important Dates

Registration for this summer term begins when you receive this schedule and is ongoing throughout the semester. Please register early as many popular courses fill quickly!

*DACC offices are closed every weekend and the following holidays: May 28, 2012 and July 4, 2012.

Confirming Your Enrollment

When you enroll in a non-credit course by phone, mail, or Fax, we will send you an enrollment confirmation by email. We will notify you of any changes to the course.

Note: If your enrollment confirmation doesn't arrive within one week, call 575-527-7527 during office hours, Mon-Fri, 8:00 AM–5:00 PM.

Cancellation/Refund Policy

If you cancel four or more working days prior to course start date, a full refund will be issued. If you cancel two or three working days prior to the course, a refund will be issued, minus a \$10.00 processing fee per person. If you cancel 24 hours or less, prior to the course (one working day), or if you do not attend, you will be responsible for the entire payment, without benefit of refund. You are welcome to send a substitute if you cannot attend. A working day is defined as Monday through Friday, with the exception of published holidays.

151 N. Roadrunner Parkway

Parking

Parking at the East Mesa, Workforce Development Center, Gadsden, and Sunland Park campuses does not require a permit. If your course is scheduled at the DACC Main Campus, your parking options are the following:

For courses that are scheduled after 4:30 PM Monday through Friday, or on weekends, no permit is required to park in visitor, commuter student, faculty/staff, or meter spaces.

For other courses when a permit is required, a daily E-Permit can be downloaded at the following site:

<http://ict-iisweb.nmsu.edu/auxadmin/ParkingForms/ePermit.aspx>

This permit is free and is valid for one day at a time. There is a limit of 5 permits per year. For more information regarding parking, please call the Community Education Office or refer to the following Web site:

<http://nmsuparking.com/visitor.htm>

Advanced Pottery for Adults

Age 14 and UP

Looking for a course in alternative firings, glaze development, advanced work on specific forms or techniques, raku, etc.? This is the course for you! Must have a basic understanding and knowledge of clay.

M/S fee of \$15 payable to instructor at first course meeting.

Instructor: Jan Archey has a vast amount of experience in working with clay and has the longest running career for teaching in Community Education. She enjoys sharing her knowledge and encouraging her students to try something different.

Bring a small bucket, hand-sized clean up sponge, old towel/washrag, old paring knife and fork, spray bottle, small trash bag, clothespin, notebook, pen, tools, and ideas!

Course # AC101 24 hrs \$130

Day(s): Tues & Sat, July 10–Aug 4

Time(s): 6:30 PM–9:30 PM (Tues)

9:00 AM–12:00 PM (Sat)

Where: NMSU Williams Hall, Ceramics Studio

Cobra Weave Paracord Bracelet and Key Chain

Age 16 and Up

Utility or fashion statement? Find out for yourself when you make your own bracelet and key chain using paracord. When an emergency happens, they can be easily unwoven and used in a variety of ways. Tools will be provided (for in classroom use only), or you may bring your own.

M/S fee of \$20 payable to instructor at class.

Instructor: Marty Arndt is a self-taught wire and jewelry design artist. She has been creating this type of jewelry since 2006 and is a permanent vendor at the Las Cruces Farmer’s Market, where you can see her every Saturday. She has been a Community Education instructor since 2007, teaching a variety of courses, which are always popular.

Course # AC102 3.5 hrs \$20

Day(s): Tues, June 12

Time(s): 5:30 PM–9:00 PM

Where: DACC East Mesa, Rm DAEM 107

From Doodling to Drawing

Age 16 and Up

Just because you can’t draw a straight line doesn’t mean you can’t learn to draw! Learn the fundamentals of drawing—line, shape, shading, shadowing, and how to use them. Apply these fundamentals to help you see in the same way as an artist through demonstrations, perspective drawing, and practice work. Let’s doodle!

Instructor: Lucy Bernier has been an educator for more than 35 years, and with Community Education since 2007. With a BA in Visual Arts from Dowling College, Lucy is very creative and loves to share her skills and knowledge in the courses that she teaches.

Bring a sketch pad, #2 pencil, HB pencil, kneaded and gum eraser, Q-tip swabs.

Course # AC103 12 hrs \$60

Day(s): Sat, July 7–28

Time(s): 9:00 AM–12:00 PM

Where: DACC East Mesa, Rm DAEM 117

Exploring Your Creativity

Age 16 and Up

Experienced Artist? Inexperienced artist? Non-artist? This is a great opportunity to explore the wonderful creative energy found in each of us. Not a how-to-paint course, but an exploration of your creative energy using the painting process. Careful—you might find you have a creative bone!

Instructors: Sally Quillin has been teaching art for more than 30 years, while owning and operating her own studio for more than 15 years. **Mike Stephens** has a degree in graphic design and enjoys photography work, both as a hobby and professionally, for more than 50 years. Both enjoy sharing their enthusiasm for the creative process with others.

AVAILABLE UPON REQUEST

- Certificates of Participation
- CEU Documentation (skill courses only)
- Gift Certificates

M/S fee of \$5 payable to instructor at first class.

You're on the Air! How to Really Make It in Voice-Overs

Voice-overs are hot today! You don't have to be an actor to get voice-over work, but it certainly doesn't hurt! Learn an exciting new way to get around competition and actually turn voiceovers into a thriving full or part-time business. You'll get to step up to the mic to do some practice recording, and best of all, hear the results!

Instructor: **Tommy Thompson** is a 40-year veteran of voice acting, seminar presentation, and announcing. A good example of mixing careers, Tommy holds an MBA from Rutgers University, a CPA license, and is recently retired from a career as a business management consultant. All this while taking on announcing and voice-over gigs.

Course # *HL101* 2 hrs \$20

Day(s): *Thurs, June 28*

Time(s): *7:00 PM–9:00 PM*

Where: *DACC East Mesa, Rm DAEM 221*

home & garden

Basic Woodworking

Age 18 and Up

Box, butt, 150/200, rip, or cross. Learn about these things and more in this woodworking course. By popular demand, the course has been lengthened, with the opportunity for a project for each student. Use woodworking equipment to learn advance joinery and finishing techniques while working on your own project. Instructor supervision will be provided.

M/S fee of \$10 payable to instructor at first class

Instructor: **Rich Mele** is retired from the US Air Force, after 23 years of service. Originally from New England, Rich enjoys gardening, tinkering, and woodworking. He loves to share his knowledge with his students and likes to have fun along the way.

Bring safety glasses.

Where: *DACC WFC, Rm 126*

DIY Simple Home Maintenance and Repair

Age 16 and Up

Really? \$100 to do what??? Learn how to make minor repairs yourself and save money in the process. We will make actual repairs that anyone can do—leaky faucets, drywall repairs, ceiling fan installation, and a host of other small repairs.

Instructor: **Rich Mele** is retired from the US Air Force, after 23 years of service. Originally from New England, Rich enjoys gardening, tinkering, and wood-working. He loves to share his knowledge with his students and likes to have fun along the way.

Bring a pair of safety glasses.

Course # *HG 102* 6 hrs \$30

Day(s): *Sat, June 23–30*

Time(s): *9:00 AM–12:00 PM*

Where: *DACC WFC, Rm 127*

Fabulous Faux: Classic, Tuscan, Metallics*

Age 18 and Up

Save thousands and learn a faster, easier way to use paint to replicate Old World, stone-like walls and classic looks for a traditional theme. Learn how to add “bling” using metallic. Your instructor, a professional decorative painter with many years of experience, will show beginners tricks of the trade, money-saving tips, how to have perfect edges, and how to “rescue” your wall.

Instructor: **Linda Coffman** has been in the wallpapering and faux finishing business since 1990. She has completed projects in homes, churches, businesses, and model homes in the Minneapolis area and now in Arizona. Through her experience, Linda has created processes that enhance her work and make it truly unique. She has taught more than 3,000 students in 15 states.

Boosting Your Web Site Traffic

Acquire the basic skills to boost your Web site traffic, including how to analyze your visitor traffic, how to use search engine optimization to get greater visibility and exposure in Google searches, and how to redesign your Web site copy to increase your visitors and results. No experience necessary, but if you are at an advanced level, your instructor is an SEO expert and can answer your toughest questions as well.

Course # UGOT101 \$195
 Day(s): July 2–27

Creating Cell Phone Apps for Your Business

It seems that nearly everyone is carrying and using a smart phone these days. Smart organizations across the globe are investing in building smartphone applications. The challenge with traditional smartphone applications is that development is highly technical and very expensive. In this four-week course, we will provide you with step-by-step instructions on how non-technical users can build, deploy, and market smartphone applications across Android and iPhone platforms. This course is ideal for business owners and executives who want to understand how smartphone applications can be inexpensively built and also for technical users who want to understand how to quickly deploy smartphone applications. At the end of this course, each participant will know how to easily build smart phone applications for their businesses, without any of the programming which is normally required.

Course # UGOT102 \$245
 Day(s): July 2–27

Parking Permit Info

You will need a parking permit if you are going to be on the DACC Main Campus for courses Monday through Friday, 7 AM–4:30 PM. Permits are not necessary for courses after 4:30 PM, or on weekends. You can pick up your Complimentary Parking Permit at the DACC Community Education window, Suite 100, 2345 E. Nevada Ave.

Dementia Care Specialist

As baby boomers age, the 21st century workforce is challenged to care for an exponentially growing population of persons with dementia. This course provides essential knowledge and understanding about neurological diseases that affect cognition and memory, and practical application of effective skills for supporting persons with dementia. Nearly all disciplines benefit from expertise in Dementia Care Specialists, as do families of persons with dementia. Come away with increased knowledge in how to care for persons with dementia. Expertise in this growing area of human services also enhances your resume.
